NOTED EDITOR ADDRESSES GOVERNOR DUMMER STUDENTS AND GUESTS

MR. CANHAM DISCUSSES UNO AND WORLD PEACE

Mr. Erwin D. Canham, editor-in-chief of the *Christian Science Monitor*, addressed the students, faculty and guests of Governor Dummer on January 25 in the Cobb Room. About eighty guests were present and the room was filled to capacity.

Mr. Canham was a member of the committee which went to England to invite the UNO to choose Massachusetts for its permanent location. The first part of his talk dealt with the advantages Massachusetts might offer such an international organization, and with humorous aspects of the search for a site.

Mr. Canham then went on to discuss the UNO in the world. In this country there was an expected let-down in serious thought and action following V-J Day, he said. Unfortunately, this post-war fatigue, moral and mental, coincided with the appearance of the atom bomb. When we should have been doing our most serious thinking about this new power at large in the world, we fell into a premature enjoyment of peace.

The peoples of Europe and of every other continent look to the United States for leadership. We have made a poor start toward showing ourselves worthy of this leadership. The behaviour of our military forces abroad and of our political and industrial forces at home has contributed to an increasing loss of prestige, Mr. Canham stated. If we are to do our share toward building a successful world order, we must emerge from petty disagreement and throw the full weight of our nation into the negotiations now under way or pending.

Two powers have emerged from this war, he continued, which must meet each other on equal terms and strive to surmount differences. These powers are the United States and Russia. Co-op- (Continued on Page 9)

FIRST POSTWAR SKI TRIPS ENJOYED BY STUDENTS

The first ski trips to the White Mountains since the beginning of the war were arranged for Sunday, January 27 and Sunday, February 3. A group of twenty-six boys, under the supervision of Mr Soule and Mr. Traver, left school by bus early on each of these Sunday mornings for the Belknap Mountains Recreation Area, near Guilford.

There were two slopes open, which were equipped with rope tows. A larger mountain, with trails leading down from the summit, was easily accessible by chair tramway. The section visited had recently received fifteen inches of light powder snow on top of an eight inch hard base, making ski conditions excellent.

December 16: Dr. Horace Holton of the Congregational Board of Pastoral Supply.

January 13: Reverend Nathanael M. Guptil of the First Congregational Church, South Portland, Maine.

January 20: Dr. Alfred E. Stearns, Headmaster Emeritus of Phillips Academy, Andover.

January 27: Memorial Service for John W. Lautz.

February 3: Reverend George L. Cadigan of Grace Church, Salem.

* * *

Reverend Lenhart suggested that we are made happy not by "what belongs to us" but by "what we belong to." Often those who are most wealthy in terms of money are the poorest in terms of spirit. To find inner peace we must look outward and make our lives useful to others. We must "belong" to some purpose greater than ourselves.

* * *

Christmas spirit and the great brotherhood of man under Christ were the subjects of Dr. Holton's talk. The Babe born 2000 years ago in Bethlehem brought with Him the promise of eternal redemption, and the hope of peace even on earth. No later voice of greed or malice has ever quite stilled the Master's appeal to men of all races.

Reverend Guptil said that the greatest power in the world is the power of fellowship. The lowest form of fellowship is illustrated by that little group of power-hungry politicians which gathered with Hitler in the beer halls of Munich, and eventually led the world to war. The highest fellowship is that founded on the hills of Galilee by Christ. The brotherhood of mankind under Christian moral standards is our only hope of survival.

* * *

Dr. Stearns spoke of the appalling condition of schools in Europe. Educational facilities there are practically nil at a time when young, starved minds are yearning for enlightenment. Individual American schools are now sponsoring schools of similar type in Europe, and exchanges of correspondence are under way. These are practical measures of meeting a current problem and improving the world relations of the future.

* * *

The Memorial Service for John Lautz was composed of hymns especially selected by John's closest friends in the senior class. A prayer was offered by Mr. Eames, and the service closed with the singing of "The Lord's Prayer."

* * *

There is great value in creative and imaginative serenity, Mr. Cadigan said. We think nowadays that it is unnatural for us to be quiet with all the noise and confusion about us. It is the confusion which is unnatural, however, and a great deal can be accomplished by more silence.

MR. CANHAM'S ADDRESS

eration between these two states is possible only if the irrespective citizens take an intelligent share in their governments and develop a sane attitude toward conflicting interests.

The only alternative is a race for atomic power in which, experts warn us, the Russians stand a chance of outstripping us in the space of a few years. Such a race, Mr. Canham said; would mean the destruction of whatever civilization we have achieved.

After his address, Mr. Canham remained in the Cobb Room for about a half hour answering questions from the audience.

EDITORIAL

The school has been fortunate in having a fine maintenance department under the leadership of Mr. David Martin, well-known to the faculty and students for his English accent and his inexhaustible wit. His crew performs duties of various sorts, from intricate carpentry to tending boilers and mowing lawns. The men not only do their regular jobs promptly and efficiently but also have a cheery greeting for the boys and are ready for whatever extra work may arise. They set a good example of team work when common tasks require their combined effort, and they work well as individuals at the special tasks to which they are assigned.

A good example of the willingness of

these men to exert themselves "beyond the call of duty" occurred recently when the regular varsity hockey pond was put out of commission by the construction of the new dormitory. To meet the emergency a new rink was made on Whipple Field. This necessitated real ingenuity and hard work on the part of the maintenance staff. For three nights members of Mr. Martin's crew remained at the rink in order to provide the good base ice which was needed. These long vigils through three cold nights were not a part of their regular jobs, but the staff entered willingly into the work out of loyalty to the school and the desire to provide for the boys' requirements. We owe them a debt of gratitude for this and for the many other things they have done in the past and continue to do in order to keep the buildings and facilities in good condition and to make the wheels turn smoothly for us. G.E.D. II.

The members of the ARCHON Staff wish to express their sense of personal loss over the death of John W. Lautz on January seventh. John was the son of Mr. and Mrs. John A. Lautz of 135 Nottingham Terrace, Buffalo, New York. He was a member of the senior class and in his third year at Governor Dummer Academy. He was successful in his studies, and as letterman in soccer and tennis, and member of the Rifle Club and the Glee Club, was active in the life of the school. He was a boy of high ideals and strong character, and at the same time so attractive and friendly that he had many warm friends among boys and masters.

The members of the ARCHON Staff are therefore speaking for all the boys and teachers when they express their own grief over John's death and extend their sympathy to his family.

PETE SUTTON SCORES AGAINST DOVER

GOVERNORS TIE BELMONT HILL

On February 2 at Belmont, Ormie Aldred's last-minute goal tied up the score in the game between the Red and White and a strong Belmont Hill team. The contest was close and well played throughout. Ash Eames was the other goal-getter for the Governors, and McCusker rated an assist.

Line-up: g, Wilson; rd, Nichols, E.; ld, Aldred; c, Sutton, H.; rw, Bailey; lw, Sutton, P.
Alternates: Eames, Hall, McCusker.

HOOPSTERS LOSE TO K. U. A., 42-19

In Lang Gymnasium on January 26 the Governors ran up against a much taller Kimball Union team. They never overcame this height disadvantage. Kimball Union displayed great scoring power and the Red and White, though putting up stiff resistance, were unable to get control of the ball. Tom Oliver led the Governors in scoring with 6 points.

Line-up: rf, R. Deering, J. Deering; lf, Kimball, Cartwright; c, Walsh; rg, Oliver, G. Duffy; lg, Freeman, Welch.

RED AND WHITE UPSETS

MILTON IN THRILLER, 42-35

The Red and White quintet upset a favored Milton team 42-35 on the home court, February 9. The Governors scored first but Milton came back fast and the score was knotted at the end of the first quarter, 9-9. At the half the count had reached 20-18 in favor of the home team. The third period was fast-moving. Milton surged ahead and halfway through the stanza led 27-24. The Governors then put in four straight hoops to end the quarter 32-27 in their favor. The team played a defensive final period, but, with Freeman and Bob Deering stacking up points on long shots, the outcome was never in question. The defensive play of Oliver and Kimball, coupled with Walsh's brilliant all-round game, provided many thrills. Walsh was high scorer with 18 points, and Bob Deering and Freeman followed with 10 and 8 points respectively. Tom Magoun was the only substitute who saw action.

IPSWICH DOWNS RED AND WHITE IN OVERTIME, 48-47

In the Lang Gymnasium on Tuesday, January 29, the Governors played a thrill-packed game against Manning High of Ipswich. The home team fought hard to overcome an early 6 point deficit, but they lost out 48-47 in an overtime. The score stood at 23-20 at the half. Then with Dick Walsh controlling both backboards, the Governors pecked away at the visitors' lead until at the end of the regulation game the score was knotted at 44-44. The overtime was loosely played, and the Ipswich team's greater experience told the tale. Walsh, Kimball and Bob Deering stood out for the home five.

Line-up: rf, Deering, R. Magoun; lf, Kimball, Deering, J.; c, Walsh; rg, Oliver, Duffy, G.; lg, Freeman, Deering, J.

HOCKEY TEAM LOSES IN OVERTIME, 4-3

At Dedham on February 4 the Governor Dummer sextet ended a 4-game winning streak by losing to a fast-skating Noble and Greenough team. Ash Eames opened the scoring with a goal in the first period. Both teams played a hard-hitting second period, with the Governors scoring twice and Noble and Greenough tallying twice. The score stood at 3-3 to the end of the third period and an overtime was played. After 1 minute and 52 seconds of the extra period, the Nobles scored to win 4-3. Ash Eames, with one goal, and Dick McCusker, with one, were outstanding for the Red and White.

Line-up: g, Wilson; rd, Nichols, E.; ld, Aldred; c, Sutton, H.; rw, Bailey; lw, Sutton, P.

Alternates: McCusker, Hall, Eames, Blumenthal, Dennett, Sadowski.

GOVERNORS LOSE TO BELMONT HILL, 35-26

Hampered by the absence of Captain Dick Walsh, the Red and White quintet lost its first game of the year, 35-26, to Belmont Hill. The Governors were opposed by a very tall team and could not effectively control the play. Ed Cartwright, Walsh's substitute, was high scorer for the Red and White with 11 points. Tom Oliver did a top-notch job defensively.

SEXTET UPSETS GLOUCESTER HIGH, 12-0

The Governors hockey team defeated Gloucester 12-0 on home ice, January 16. The inexperienced Gloucester team fought hard but was no match for the Governors who scored at will. Scoop Sutton led the Red and White scorers with four tallies while McCusker and Pete Sutton scored twice. Other goal-getters for the Governors were Ash Eames, Danny Hall, Ormie Aldred and Pete Dennett. The team showed improvement in this game.

Line-up: g, Blumenthal; ld, Aldred; rd, Nichols, E.; c, Sutton, H.; lw, Sutton, P.; rw, Bailey.

MATMEN LOSE FIRST MATCH TO ROXBURY LATIN

On Saturday, February 2, Governor Dummer's wrestling team met a strong Roxbury Latin School team and sustained a 33-0 defeat. The separate matches were hard-fought, but because of their greenness the Governors were unable to take a single bout. A summary of the match follows:

121 lb. class—Sziklas defeated Silver (GDA)—decision
128 lb. class—Abboud (RL) defeated Knott (GDA), fall
135 lb. class—Coffey (RL) defeated Ortega (GDA), fall
145 lb. class—Lemp (RL) defeated Maxson (GDA), decision
155 lb. class—Riley (RL) defeated Gaudin (GDA), decision
165 lb. class—Fleming (RL) defeated Heyl (GDA), decision
175 lb. class—Keith (RL) defeated Kangis (GDA), fall
Unlimited class—Sax (RL) defeated Dunker (GDA), fall.

RED AND WHITE ROUTS DOVER, 5-0

Although Coach Murphy and Captain Aldred were unable to attend the game, the Governors won their fourth straight by defeating Dover 5-0 on home ice on January 29. Mac McCusker led the scoring parade with two goals and Hall, Pete Sutton and Bill Bailey were the other Red and White goal-getters. The Dover players were determined but inexperienced and were unable to crack the expert goal defense of Lee Wilson and Pam Blumenthal.

BASKETBALL TEAM WINS OPENER
60-25

Sparked by Dick Walsh and Tom Oliver, the Red and White quintet opened its season with a 60-25 triumph over a hard-hitting but inexperienced Rockport team. Walsh and Oliver each scored 11 points to pace the Governors' offensive. Jack Kimball and Fritz Freeman had 8 and 7 points respectively, and freshman star Bob Deering scored 8 points. The ball handling of the team was effective, and everyone who played showed to good advantage.

GOVERNORS TAKE BROOKS, 4-2

On January 23 the Red and White defeated Brooks on home ice by a score of 4-2. Right Wing Danny Hall opened the scoring by slapping in a goal-mouth pass from Eames in the first period. From then on the home team was never behind, and McCusker, Eames, and Scoop Sutton each contributed a goal. Only the expert goal tending of the Brooks netman prevented the winners score from climbing higher. Lee Wilson, playing his first game in the goal for the Red and White, turned in a good performance. Pam Blumenthal replaced him in the third period and also played heads-up hockey.

HOCKEY TEAM LOSES OPENER
TO MIDDLESEX, 2-1

The Red and White sextet opened its season by playing a strong Middlesex team and losing 2-1 at Middlesex, January 14. The game was well played and the action fast throughout. Bill Bailey opened the scoring on a pass from Pete Sutton late in the first period. Middlesex tied it up in the second period and went on to win in the third. The team deserves credit for its fine showing in an opening game played after a minimum of practice.

GOVERNORS SCORE SECOND WIN
53-34

After getting off to a poor start in the first half, the Governors rallied in the second to overwhelm Story High of Manchester, 53-34. The team looked very effective in the second half, passing and shooting in mid-season form. As in the Rockport game, the second five saw considerable service and gave a good account of themselves. Captain Walsh was high scorer with 14 points, and Freeman followed closely with 12. Bob Deering ranked third with 9 points to his credit. The general play of the team showed improvement in the game.

HOCKEY TEAM EDGES BROWNE AND NICHOLS, 2-1

A good first period paid off in a victory when the Red and White won their second straight, defeating Browne and Nichols 2-1. Captain Aldred opened the scoring by whipping in McCusker's goal-mouth pass. A few minutes later McCusker took a pass from Ash Eames and, after outfoxing the defensemen, fired the puck past the Browne and Nichols goalie.

GOVERNORS ROUT THAYER 44-21

On February 2 at South Byfield the Red and White basketball team returned to its win column by defeating Thayer Academy's five by a score of 44-21. The home team was never behind and turned in some spectacular plays in the course of the game. Fritz Freeman led the scoring with 12 points to his credit, and Tom Oliver, with 10, was runner-up. Captain Walsh and Kimball had 8 and 6 respectively.

MILTON WRESTLERS DOWN RED AND WHITE 33-3

On Saturday afternoon, February 9, the Governor Dummer matmen met Milton Academy's wrestling team and were defeated 33-3. The Governors' 3 points were scored by Miguel Ortega, captain for the Red and White. The line-up and results of the matches were as follows:

- 121 lb. class—Flender (M) defeated Silver ((GDA), decision
- 128 lb. class—Skinner (M) defeated Knott (GDA), fall
- 135 lb. class—Captain Ortega (GDA) defeated Whitney (M), decision
